As at the Latest Practicable Date, a total of 720,000,000 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 144,000,000 new Shares.

### REPURCHASE MANDATE

Ordinary resolution will be proposed at the AGM to grant to the Directors a general and unconditional mandate to exercise the powers of the Company to repurchase, on the Stock Exchange, or on any stock exchange on which the Shares may be listed, with an aggregate nominal value not exceeding 10% of the aggregate nominal value of the issued share capital of the Company in issue as at the date of passing the relevant resolution at the AGM. Subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 72,000,000 Shares.

Under the Listing Rules, the Company is required to give to its Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the AGM. An explanatory statement for such purpose is set out in Appendix I to this circular.

### EXTENSION MANDATE

In addition, a separate ordinary resolution will also be proposed at the AGM to add to extend the Issue Mandate by an addition of an amount representing the aggregate nominal value of Shares repurchased by the Company pursuant to the Repurchase Mandate (if granted to the Directors at the AGM).

The Repurchase Mandate and the Issue Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or the applicable laws of the Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

By Order of the Board  
**HL Technology Group Limited**  
**Chi Shaolin**  
*Chairman*

This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

### **1. LISTING RULES RELATING TO THE REPURCHASES OF SHARES**

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

### **2. FUNDING OF REPURCHASES**

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands and Hong Kong.

As compared with the financial position of the Company as at 30 June 2010 (being the date to which the latest audited financial statements of the Company have been made up and disclosed in the prospectus before the Company was listed on the Stock Exchange), the Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

### **3. SHARE CAPITAL**

As at the Latest Practicable Date, there were a total of 720,000,000 Shares in issue.

Subject to the passing of the relevant ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 72,000,000 Shares, representing 10% of the entire issued share capital of the Company as at the date of passing the resolution until the earliest of:

- (i) the conclusion of next annual general meeting of the Company; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or the applicable laws of the Cayman Islands to be held; or
- (iii) revocation or variation by an ordinary resolution of the Shareholders in a general meeting.

#### **4. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

#### **5. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Cayman Islands and in accordance with the memorandum and articles of association of the Company.

#### **6. EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercise its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the controlling Shareholders (as defined in the Listing Rules), namely Mr. Chi Shaolin and Chenlin International (the "Controlling Shareholders"), who together, were interested in 294,283,839 Shares, representing approximately 40.9% of the issued share capital of the Company.

In the event the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate and on the assumption that no further shares are issued or repurchased prior to the AGM, the direct and indirect shareholding of the Controlling Shareholders in the Company would increase to approximately 45.4%. Such increase will then give rise to an obligation to make a mandatory offer under Rule 26 or Rule 32 of the Takeovers Code.

The Directors confirm to the best knowledge having made all reasonable enquiries that, if the Repurchase Mandate was exercised in full at any time during the proposed repurchase period, it would cause Mr. Chi Shaolin to make a mandatory offer under the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors will not exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

#### **7. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS**

None of the Directors nor, to their best of the knowledge and belief, having made all reasonable enquiries, any of their respective Associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company.

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the Articles.

No connected person of the Company has notified the Company that he/she has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any of the Shares held by him/her to the Company in the event that the Repurchase Mandate is granted.

#### **8. SHARE REPURCHASE MADE BY THE COMPANY**

No repurchase of Shares has been made by the Company since the day the Shares commenced trading on the Stock Exchange on 16 November 2010 to the Latest Practicable Date.

#### **9. SHARE PRICE**

The Share are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the following months since the day the Shares have commenced trading on the Stock Exchange on 16 November 2010 and up till the Latest Practicable Date:
